Opening Prayer

Catholic Schools Week

Introductions/Acknowledgements

We welcome all new faces who joined us at the meeting today, and we encourage everyone to get the word out and bring a friend to future meetings.

Congratulations to the cast of the "Lion King." The production was a huge success and enjoyed by all who attended.

The new PC newsletter is a welcome addition and has been well-received by all. Suggestions are always appreciated. We will begin showcasing SMS families in the coming months as part of our "Community Spotlight."

Reports and Updates:

OPEN HOUSE

Open House was held on Sunday, January 29th following 9:30 Mass. The event was a huge success with an upswing in attendance of prospective families for the 2017-2018 school year. The event flow, welcome balloons, Parent Club booth and student ambassadors were well-received and appreciated. For next year, suggestions include promoting/marketing the event more on Facebook and other social media outlets, and to provide more signage directing new families for next year on "where to go first."

BOOK FAIRE

A big thank you to Lisa Kavanagh and Shannon Cvarich for organizing and spearheading a wonderful and successful 2017 Book Faire. The event was enjoyed by all who attended at Open House, as well as our students throughout Catholic Schools week. The Illustrator Workshop was a big hit, and the impromptu "Story Hour" by the 7th/8th graders was equally successful. All proceeds earned will go directly to Mrs. Prickett for the school library.

Reminders:

ROOM PARENTS

Teacher Appreciation Week is coming up so please make sure your room coordinator is lined up. A schedule of activities planned is forthcoming.

New & Upcoming Business:

St. Mary/St. Francis Fall Golf Tournament was suggested by Meghan Pariso as a new “Back to School” Event/Fundraiser. She will brainstorm some ideas and research more details to share with the Parent Club and Mrs. Schmidt in the coming months.
